

Embassy of India
Madrid

Dated: 23 December 2021

Subject: Advisory against illegal Consular agents in Spain.

It has been brought to the notice of the Embassy that there are many illegal Consular agents in Spain, who process applications on charges for above the prescribed Consular and Passport fees. These agents misguide applicants and also forge documents.

2. It has been decided that with effect from 1 January 2022, applications would not be accepted from any agent/third party representative. BLS International will not accept applications processed by agents/third parties. Agents/third parties would also not be allowed to collect documents, on behalf of the applicants.

3. Applicants are required to send their applications, completely in all respect, directly to BLS International, in person or by post. For further details please visit, Embassy's website: <https://www.eoimadrid.gov.in/index.php> and **BLS International's website**
